THIS Work, now in the NINTH - year of its existence, will lid published an early as practicable after the close of the current year.

It will be compiled and printed at the Daily Press Office, as usual, from the best and most authentic sources, and no pains will be spared to make the work complete in all respects. In addition to the usual varied and voluminous information, the value of the "Chronicle and Directory" for 1871" will be further augmented by the addition of a Chromo-lithograph plate of the NEW CODE OF SIG-NALS in use at the Peak; also of the various HOUSE FLAGS; a MAP OF HONGKONG; a MAP OF JABAN; wond a CHART OF THE COAST; besides other local information and statistics corrected to date of publication, tending to make this work the vads mecum for all Public, Mercantile and General Offices.

The Publisher requests that those persons who have not yet returned the printed forms which have been sent to them to fill up, will be good enough to do so without delay. Any persons who have recently arrived; and to whom. printed forms have not been sent, are respectfully requested to forward their names and addresses_as_early as possible for insertion.

Daily Press Office, Nov. 12th, 1870.

Thu delivery of the Daily Press from this office comengers left the office at 8.30.

Ноноково, Весимиет 29ти, 1870. the Colony; secondly, as a means of dimi- measures without incurring the serious cor- the smallest degree. He was not there to do criminals, at the houses where unlicensed | youd our power, and accept a bribe to abstain gambling is carried on. The past two or from punishing what we declare to be wrong. three years have proved beyond any question that the scheme has failed in all these particulars. Sir RICHARD MACDONNELL, with glaring inconsistency, while wallowing in the Special Fund, declared that the object of the licensing system was not to augment the revenue of the Colony, but that the money used from it was all directed towards the im-\$50,000 for the Victoria-and the Home Government, taking him at his word and refusing to allow the money to be used as he proposed, showed that he was as correct for-all the requirements of the Colony without using gambling fees; and this ground never formally aflopted, but repeatedly hinted | at, is thus completely taken away Experience! Government to the vice and the security guaranteed to the keepers of houses, must tend to foster, instead of to diminish, this great evil. In respect to the suppression of crime, it has now been discovered that the European Police are prohibited from entering the houses, and that consequently a better opportunity for the congregation of thieves, pirates, and other dangerous characters exists, under the present system, than was ever the case before. An impression was conveyed by the declarations made trouble. It will be noticed that it was reby Sir RICHARD MACDONNELL that provements would be effected in the Police been further reduced. The reason for these Service as would result in the most rigid supervision of the houses, so that the congregation of dangerous characters at them would Magistrate will not undertake to adjudicate no longer be possible. And what has been discovered to be the fact? Simply that it in their possession would be quite sufficient was made a term of agreement with the mima facie evidence for committing them for should ever be permitted to visit the houses, thus making these places absolute sanctuaries. for any rascals who, in Police parlance, might be "wanted," and could contrive to bribethe District Watel.men or other natives, who, besides the two Police Inspectors, alone have access to the Houses. Thus, every single advantage which was promised from

ture into the local administration of the Co-1

upon the Gambling Licensces, the District. Watchmen, Mr. D. R. CALDWELL and the

REGISTRAR-GENERAL'S Department, for in-

that there may be some difference as to whother repressive measures should be adopted, but there can be none whatever as to the advisability of putting a stop to the liconsing system. If, as alleged, we cannot suppress gambling without ontailing the corruption of the Police Force, we shall do better to leave it alone altogether than to adopt so uttorly defective a half measure, as the licencing system, whose only advantage into the pockets of a few who are mixed up in the farming of the License. It is possible that we may not be able to suppress gambling among the Chinese, but if we cannot suppress it, we at least ought not to countenance and support it. It is, however, to up to the present there has been no thorough effort made to put down the evil. With such a Police Force as has hitherto existed. in Hongkong, it is not surprising that an attempt to suppress the evil should fail; but full received any instructions about the Bird or conventional attempt to suppress the evil should fail; but full received any instructions about the Bird or conventional attempt to suppress the evil should fail; but full received any instructions about the Bird or conventional attempt to suppress the evil should fail; but full received any instructions about the Bird or conventional attempt to suppress the evil should fail; but full received any instructions about the Bird or conventional the commisseration of his master he told a delicity or instructions about the Bird or conventional the commisseration of his master he told a delicity or instructions about the Bird or conventional the commisseration of his master he told a delicity or instruction and instruction and instruction and instruction of the special commisseration of his master he told a delicity or instruction and instruc cannot but adhere to the opinion we have Colony. frequently expressed, that it will be better to leave the diminution of gambling to moral influences than to make an attempt at suppressing it at the expense of having the Police Force corrupteds Before, however, coming to this to pass sentence in three reserved cases. conclusion, to which it must be confessed the inct that the Chinese are willing to pay over he was very sorry for it. \$200,000 for the privilege of gambling seems you have been caught, and the amount of your irresistibly to point, it might perhaps be desirable, with an improved Police Force, to sorry enough to restore that money to its make one more trial. But at all events let the rightful owner. presence. This system of barbarous interference insted for three years. The ladies who next They, too were 'debarred from free intercourse' with their, husbands. But they were enabled to perform a multitude of genial services to the band of prisoners : they nursed stomach and destroy the healthy, natural crathem in sickness; they sent for medical ving for food, Sour Stomach, Heartburn, Flatuments and surgical instruments from Moscow, lenny, and all Derangements of the Digestive and they kept up a correspondence with the and Excretory Organs, are promptly relieved outer world. In September, 1827, when all the and oured by them. The public should always convicts (including Prince Trubetskoy and bear in mind that Bristol's are the only Pills those from Nortschinek) were united in the made of large new prison, Princens Trubetskoy joined the other ladies at Tchita. Her fate had been the hardest of all, "Princess Catharine Tru- the only vegetable substances yet discovered betakey, born Countess Laval, had followed that are really her basband to Siberia in 1826, immediately after his departure, accompanied by a secretary L her father. At Crasnojarsk her carriago without springs, and in this manner, after a weary journey, reached Irkutsk. Trubetskoy had already been sent on to his destination at Nertschinsk, about 700 yersts beyond Irkutsk.

The princess applied to the first are sent or to his destination at the blood, broke down and her companion fell ill. Not .The princess applied to the civil governor, named Zeidler, to obtain from him the means first represented to the princess the difficulties not already beyond human help. 5,000 great criminals were collected, amongst | the wrapper around each phial of Pills; but as whom she would have to live, in barracks, different constitutions require different doses without attendance or any of the conveniences to produce the same effect, it is better that each of life. This prospect did not daunt her; she person ascertain, by trial, the dose that suits declared she was prepared for every privation, their system, and take that dose, instead of it she could only be with her husband. The next following any general rule. day the governor informed her that he had recoived orders to exact from her a written renunciation of all her rights of nobility, and of all property, movemble or immovemble, which she might possess or which might hermiter accrue to her by inheritance. Catharine Trubetskoy signed

the paper without hesitation, and hoped that she had thus cloured the way of all obstacles. But the series of her trials was not yet over. Forsome days the governor refused to receive her, under the pretext that he was unwell. The princess became impatient, and Zoidler was again obliged to see her, when, after entreating her to give up her be allowed to proceed to Nertschinsk with one lowing them from station to station. The gone before it. Proved by this test, princess consented with the utmost resignation to this last condition also. But the governor could no longer master his own emotion; he burst into tears, and exclaimed. You shall written to St. Petersburg, and in short allowed be the obstroles to accumulate which would have deterred the other ladies from undertaking so forcourage and merit, it must be said that Princess and depurative known to medical science, and Trubetskoy was the first, who not only forced ber in America, and recommended by them to their own way to join her husband in Siberia, but patients in all savefulness and recommended by them to their naturally appeared the savefulness of the actually conquered the opposition of the Russinn Government." . Three weeks be-fore leaving Tchits, Baron Rosen had learned by a letter that his wife was on the way to join brun. She too had been compelled to renounce her rights of hobility, and had been informed that she would never (even in the event of her from all others. It contains no minerals, and

small village, where we were quartered in a leather tent. We had lain down to sleep in the afternoon, but I was unable to close my eyes. For every from of minematic disease it is a safe Godowns, Offices, Shops, &c., and I per cent.

The tent was by the side of the road, which led and reliable remedy, being a perfect antidote their contents. neross a brook into a wood. I heard the bells to malaria, a corrector of impurities, a cure for of post-horses, looked through the aperture of exhaustion, a preventive of debility, and a the tent, and saw a green well. I threw my coat healthful stomachic. It is purely vegetable over my shoulders and rushed out to meet the and entirely healthful, and no harm can ever carriage. Nicholas Betuschew ran after me, result from its free uso. The public should but was unable to catch me. The sentinels on therefore guard over us threw themselves across my path, but I escaped them; a few yards farther on the carriage stopped, and in a moment my wife was in my arms. The sentinels drew back, and the first moment was one of indescribable joy. But and take no other. It is the cheapest, the what to do with my wife? She was so exhaust- strongest, and the best. ed with the journey abe could hardly walk. Happily, the commanding officer gave orders that I should be quartered with her in a peasant's house near. She had only a maid and a travelling bug with her, having been obliged to leave her own carriage near the Baikal Lake by an inundation. My companious shared my joy and relieved me from the troop for supper. On the following day the beauty of flowers. Their faucies have she proceeded in the post-cart, and I walked to over delighted in likening the purest and holiest

husbands, and it was cheered by the light the glaring Peous is "Anger." But there is anof domestic life. Baroness Rosen declar other property passessed by the flowers equally ed afterwards that she looked back to her if not more important then their beauty of sojourn in that dark cell with delight, for form and color —we refer to the fragrance they nowhere else, could she have had half so exhale. What can compare with the breath of nowhere else could see days and ber the blooming rose or the tender fragrance of conjugal devotion seems not only to have survived the pangs of separation, but—what is sometimes harder to bear—the trial of a monotonous existence. In about a year she gave birth to a second son, who was followed in due combined with the richness of Nature's per-loss, in China, Singapore, Calcutta, Bombay or loss, in course by four other little dibertane. Thus funce; and, with the single exception of time were away in this strange community, and on the 11th of July, 1832, the period of Baron Rosen's forced imprisonment (which had been somewhat shortened) came to an end. Thenceforward he was free to settle in a dwelling We know of no preparation where the simple of his own in Siberia, and he selected Kurgan, on the western side of Irkotak, for that purpose. They reached Kurgan in Sept. 1832, another they seemed doomed to pass their existence. A decay; but in this delightful floral water their midstarts, in the milist of a wast sandy plain, holding communica-tion with the world of Central Asia, by means of annual fairs, governed by the thirteen invariable representatives of the Russian administration, MURRAY & LANDARS and MURRAY & LANDARS wholivedamongst themselves and with the exiles a hospitable and convivial life-Kurgan is in no otherwise known to history than as the place to which it pleased the Emperor Paul to Stands quite unrivalled, not only for its fragrant send for one year's banishment the luckless perfume, but also for its well-marked by senio cutimentalist Kotzebue-who might bave written liere a book of "Tristin," The incomes allowed to the married exites were limited to 600 roubles-about 2100, but the excessive cheapness of the necessaries of life, and the ab.
